[401] Enterprise Architecture guides **[410] Digital Transformation**, defines **[400] IT Strategy**, and specifies **[450] Cloud Service**.

[410] Digital Transformation drives **[450] Cloud Service**, is shaped by **[400] IT Strategy** and is advised by **[490] Management Consultant**.

[400] IT Strategy incorporates requirements of **[321] Business Continuity**, is influenced by **[460] Technical debt** and is enhanced by **[490] Consultant**.

[450] Cloud Service necessitates **[459] Cloud Adoption Framework (CAF)**, introduces risks of **[460] Technical debt** and has the providers recommended by **[490] Consultant**.

[459] CAF directs the implementation of **[342] Project**, which, in turn, requires **[343] Project Management** and includes measures of **[321] Business Continuity**.

Finally, **[460] Technical debt** impact **[343] Project Management**.
