## ESSAY 1 - Business Governance

Rafael Alves 99308

### Conceptual Map

#### Description:

- **[100]Organizations** are led by **[110]BoD/Governing Body/Top Management** who also are **[110]responsible** for an effective **[113]governance**.
- **[113]Governance** provides the foundation and structure for effective **[140]risk management** and **[130]compliance** within an **[100]organization**.
- **[118]Ethics** impact **[117]Corporate Culture** by shaping the values and norms that guide behavior within the **[100]organization**.
- **[116]Policy** connecting to **[130]compliance** highlights the critical role that policies play in ensuring the organization's compliance with legal, regulatory, and ethical requirements.
- By ensuring that decisions are made with **[104]stakeholders** best interests, **[113]governance** contributes to the **[100]organization** overall success.
