

The concept map interconnects [113] Governance, [117] Corporate Culture, [130] Compliance, and [140] Risk Management. Governance oversees [111] BoD, creating [116] Policy and formulating [120] Strategy. Corporate Culture shapes decision-making and influences [119] Organizational Structure. Compliance and Risk Management require [146] Control, interacting with Governance, Culture, and Structure. [151] Management System unifies the framework. Policy, Strategy, and Risk Management impact Organizational Structure, defining roles, allocating resources, and aligning goals.
