

## Description

An [197] Organization boasts [109] Shareholders that set expectations that must be fulfilled. These [109] Shareholders appoint the [111] BoD, whose actions are guided by the [117] Corporate Culture, shaping the core of the [197] Organization, influencing all its operations.

The [111] BoD shoulders the responsibility of overseeing the [197] Organization's [112] GRC framework, comprising [113] Governance and [130] Compliance. This supports the [197] Organization's endeavors to realize its objectives.

[113] Governance ensures alignment with the needs of the [104] Stakeholders, who derive value from the [197] Organization. Meanwhile, [130] Compliance upholds the necessary regulations, which [140] Risk Management adheres to mitigate the occurrence and impact of [143] Risk Events.
