

Student Number: 99689  
Student Name: Mafalda Pereira

[401] Enterprise Architecture implements [442] IAM / Identity and Access Management to ensure secure access to its frameworks. [410] Digital Transformation results in [460] Technical Debt, which manages [401] Enterprise Architecture. [400] IT Strategy integrates [120] Strategy (Business Organization), driving [410] Digital Transformation, and aligning with [401] Enterprise Architecture. [103] Governance (GRC) collaborates with [199] CIO / Chief Information Officer, defines [120] Strategy (Business Organization), and ensures compliance with [241] GDPR / General Data Protection Regulation. The [199] CIO oversees [410] Digital Transformation, while [241] GDPR guarantees regulatory adherence through [139] CCO / Chief Compliance Officer, who ensures compliance with [400] IT Strategy.
